Application by first defendant to raise
injunctions against him contained in an
Order of Justice instituted by the
plaintiff.

Advocate J.P. Labesse for the plaintiff
Advocate A.J. Olsen for the defendants.

JUDGMENT

THE BAILIFF: We order D.F.N. to be made a party to the action and by agreement with the parties no admissions will be made. As soon as Mr. Dimsey has released the documents under the control of the company of which he is the beneficial owner, he will be discharged from the proceedings and the question of costs will be left over. Under the circumstances we would not regard it as a contempt because he is right in law.
