

EMPLOYMENT TRIBUNALS

Claimant: Mr L A Houlson

Respondents: Derbyshire Fire & Rescue Service & others

JUDGMENT

The terms and conditions element of this claim is struck out.

REASONS

1. By a letter dated 13 April 2016 the Tribunal gave the Claimant an opportunity to make representations (or to request a hearing) as to why the terms and conditions element of this claim should not be struck out because it has not been actively pursued.
2. The Claimant has failed to make representations in writing, or has failed to make any significant representations, why this should not be done or to request a hearing. The terms and conditions element of the claim is therefore struck out.
