**DECISION**

---

**The Tribunal grants dispensation from the remaining consultation requirements of S.20 of the Landlord and Tenant Act 1985 in respect of the works to the lift referred to in the quotation from Fenwick Lifts Ltd dated 31 January 2022.**

**In granting dispensation, the Tribunal makes no determination as to whether any service charge costs are reasonable or payable.**

**The Applicant is to send a copy of this decision to each lessee.**

## **Background**

1. The Applicant seeks dispensation under Section 20ZA of the Landlord and Tenant Act 1985 from the consultation requirements imposed on the landlord by Section 20 of the 1985 Act. The application was received on 17 February 2022.
2. The Applicant describes the property as a 6-storey purpose built 1960/70's building with 25 flats starting on the first floor with the ground floor as a lobby area.
3. The Applicant explains that the lift is currently out of service and many older and disabled residents at the top floor and floors below depend on the lift for access out of the building and to their flat. Residents currently will be having to take the stairs which could result in injury or worse.
4. Fenwick Lift Services have confirmed and quoted for the repairs and advised that until the repairs are completed the lift is not safe for regular use.
5. The Tribunal made Directions on 4 March 2022 indicating that it was satisfied that the matter is urgent, it is not practicable for there to be a hearing and it is in the interests of justice to make a decision disposing of the proceedings without a hearing (rule 6A of the Tribunal Procedure Rules 2013 as amended by The Tribunal Procedure (Coronavirus) Amendment Rules 2020 SI 2020 No 406 L11).
6. The Tribunal required the Applicant to serve the Directions together with a copy of the application and the quotation from Fenwick Lift Services to each Respondent. Also sent was a form for the Leaseholders to indicate to the Tribunal whether they agreed with or opposed the application. It was indicated that those Leaseholders who agreed with the application or failed to return the form would be removed as Respondents. On 8 March 2022 the Applicant confirmed the Directions and other documents had been served.
7. 10 Lessees responded all of whom were in agreement with the application. As indicated above those agreeing to the application and those not replying have been removed as Respondents.
8. Before making this determination, the papers received were examined to determine whether the issues remained capable of determination without an oral hearing and it was decided that they were, given that the application was unopposed.
9. The only issue for the Tribunal is whether it is reasonable to dispense with any statutory consultation requirements. This

decision does not concern the issue of whether any service charge costs will be reasonable or payable.

## **The Law**

10. The relevant section of the Act reads as follows:

### **S.20 ZA Consultation requirements:**

Where an application is made to a Leasehold Valuation Tribunal for a determination to dispense with all or any of the consultation requirements in relation to any qualifying works or qualifying long-term agreement, the Tribunal may make the determination if satisfied that it is reasonable to dispense with the requirements.

11. The matter was examined in some detail by the Supreme Court in the case of *Daejan Investments Ltd v Benson*. In summary the Supreme Court noted the following
- i. The main question for the Tribunal when considering how to exercise its jurisdiction in accordance with section 20ZA is the real prejudice to the tenants flowing from the landlord's breach of the consultation requirements.
  - ii. The financial consequence to the landlord of not granting a dispensation is not a relevant factor. The nature of the landlord is not a relevant factor.
  - iii. Dispensation should not be refused solely because the landlord seriously breached, or departed from, the consultation requirements.
  - iv. The Tribunal has power to grant a dispensation as it thinks fit, provided that any terms are appropriate.
  - v. The Tribunal has power to impose a condition that the landlord pays the tenants' reasonable costs (including surveyor and/or legal fees) incurred in connection with the landlord's application under section 20ZA (1).
  - vi. The legal burden of proof in relation to dispensation applications is on the landlord. The factual burden of identifying some "relevant" prejudice that they would or might have suffered is on the tenants.
  - vii. The court considered that "relevant" prejudice should be given a narrow definition; it means whether non-compliance with the consultation requirements has led the landlord to incur costs in an unreasonable amount or to incur them in the provision of services, or in the carrying out of works, which fell below a reasonable

standard, in other words whether the non-compliance has in that sense caused prejudice to the tenant.

- viii. The more serious and/or deliberate the landlord's failure, the more readily a Tribunal would be likely to accept that the tenants had suffered prejudice.
- ix. Once the tenants had shown a credible case for prejudice, the Tribunal should look to the landlord to rebut it.

### **Evidence**

- 12. In the absence of any objections the Applicant was not required to serve further evidence than that already referred to at paragraph 3 and 4 above.

### **Determination**

- 13. Dispensation from the consultation requirements of S.20 of the Act may be given where the Tribunal is satisfied that it is reasonable to dispense with those requirements. Guidance on how such power may be exercised is provided by the leading case of Daejan v Benson referred to above.
- 14. The Tribunal accepts that these works were urgent and could not wait while the consultation procedures were conducted.
- 15. No lessees objections were received and therefore no prejudice as referred to in the Daejan case has been identified.
- 16. For these reasons I accept that dispensation should be granted.
- 17. **The Tribunal therefore grants dispensation from the remaining consultation requirements of S.20 of the Landlord and Tenant Act 1985 in respect of the works to the lift referred to in the quotation from Fenwick Lifts Ltd dated 31 January 2022.**
- 18. **In granting dispensation, the Tribunal makes no determination as to whether any service charge costs are reasonable or payable.**
- 19. **The Applicant is to send a copy of this decision to each lessee.**
