

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 11 October 2022

Public Authority: Foreign, Commonwealth and Development Office

Address: Hanslope Park
Milton Keynes
MK19 7BH

Decision (including any steps ordered)

1. The complainant requested information from the Foreign, Commonwealth and Development Office (FCDO) relating to the processing of previous information requests made. By the date of this notice the FCDO had not issued a substantive response to this request.
2. The Commissioner's decision is that the FCDO has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the FCDO to take the following step to ensure compliance with the legislation.
 - The FCDO must provide a substantive response to the request in accordance with its obligations under FOIA.
4. The FCDO must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

Request and response

5. On 5 December 2021, the complainant wrote to the FCDO and requested information in the following terms:

"Please provide me with copies of any internal or external correspondence, papers or telephone records about the processing of my Freedom of Information requests [REDACTED] and [REDACTED] and the internal review that followed [REDACTED]"
6. The FCDO acknowledged the request on 6 December 2021. To date, a substantive response has not been issued.

Scope of the case

7. The complainant contacted the Commissioner on 13 September 2022 to complain about the FCDO's failure to respond to their request.
8. The Commissioner has considered whether the FCDO has complied with its obligations in relation to the time for compliance at section 10(1) of FOIA.

Reasons for decision

9. Section 1(1) of FOIA states that:

"Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him."
10. Section 10(1) of FOIA states that a public authority must respond to a request promptly and "not later than the twentieth working day following the date of receipt".
11. On 16 September 2022 the Commissioner wrote to the FCDO, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.
12. Despite this intervention the FCDO has failed to respond to the complainant.

From the evidence provided to the Commissioner in this case, it is clear that the FCDO did not deal with the request for information in accordance with FOIA. The Commissioner finds that the FCDO has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
