**DECISION**

- 1 Patents Form 7/77 names Ian G. White as sole inventor.
- 2 Power-Sprays Limited, the patent applicant, has now made an application to the effect that Glyn Andrew Bosley should also have been named as a joint inventor in the published patent application. The application refers to section 13(1) of the Patents Act 1977 and has been taken as filed under rule 10(2) of the Patents Rules 2007.
- 3 Ian G. White and Glyn Andrew Bosley have filed written consent that Glyn Andrew Bosley ought to have been named as joint inventor with Ian G. White. I therefore conclude that all relevant parties agree that Glyn Andrew Bosley should be named as a joint inventor along with Ian G White.
- 4 Accordingly I find that Glyn Andrew Bosley should be mentioned as a joint inventor in any patent granted for the invention. I also direct, in accordance with rule 10(1), that an addendum slip mentioning him as a joint inventor be prepared for the published patent application for the invention.
