Government

EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Non-Domestic Rating (Small Business Rate Relief) (England) Order 2012 to make provision for a continued temporary increase in the level of small business rate relief for the financial year beginning on 1st April 2015, which would otherwise have ended on 31st March 2015. An impact assessment has not been produced for this instrument because it amends an existing local tax regime. Publication of a full impact assessment is not necessary for such legislation.
