EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Non-Domestic Rating (Alteration of Lists and Appeals) (England) Regulations 2009 (S.I. 2009/2268) (“the 2009 Regulations”) and modify the application of those Regulations in certain cases. The Regulations also amend the Business Rate Supplements (Transfers to Revenue Accounts) (England) Regulations 2009 (S.I. 2009/2543).

Part 2 of these Regulations provide for a new ground of proposal to alter a valuation list where two or more hereditaments should be shown as one hereditament as a result of amendments made to the Local Government Finance Act 1988 by section 1 of the Rating (Property in Common Occupation) and Council Tax (Empty Dwellings) Act 2018. Those amendments provide for circumstances where two or more hereditaments are to be treated as one hereditament for the purposes of non-domestic rating.

Part 3 extends the period within which a proposal to alter a valuation list in respect of certain nursery ground hereditaments may be made, as a result of amendments made to the Local Government Finance Act 1988 by section 1 of the Non-Domestic Rating (Nursery Grounds) Act 2018.

Part 4 makes provision for cases where checks of information about certain historic hereditaments are made by a Valuation Officer and subsequent to these checks a new hereditament is created.

Part 5 amends the Business Rate Supplements (Transfers to Revenue Accounts) (England) Regulations 2009 to change the date by which billing authorities are required to submit final returns of the amount they have collected by way of business rate supplement.

An impact assessment has not been produced for this instrument because it amends an existing local tax regime. Publication of a full impact assessment is not necessary for such legislation.
